

Welcome to the NEW and IMPROVED Huskerland web site!

We officially launched the web on October 1 of 2009 to kick off the 25th Anniversary of Huskerland Wrestling. I was at that first Huskerland held in the Lincoln East gym; it is amazing to think about all those years and all that wrestling! Huskerland is truly a testament to the great coaches, fans, families and wrestlers in our state!

We hope you like the new web site. Make sure you take some time to become acquainted with all that our site has to offer you. This site is going to be on the cutting edge; we want to bring you the best in multi-media wrestling!

I want to point out a couple of important features right away. First of all, we have moved to online payment for your club dues. Make sure you pay them early to get the price break. Along with your dues you will get free AAU practice site insurance and free AAU tournament host insurance. This is a great value to our clientele and well worth the dues payment. If you need an insurance binder, you can download a copy once your dues are paid.

Another area of focus is the 25th anniversary. We want to honor as many people as we can at our 25th anniversary tournament! We are in the process of making plans for a huge celebration. Make sure to send in any information you can! There is an area on our site for you to see what info is needed.

Stay tuned for some state of the art features in the future:

1. Referee corner where you will get all of the best in officiating and rules interpretation
2. Video coaching series featuring the best moves and techniques by our Nebraska wrestlers. Our first videos will be techniques by:
 - a. Brett Hunter (2X NCAA II National Champ)
 - b. Todd Meneely (3X NCAA II National Champ)
 - c. Brandon Browne (Big XII Champion and NCAA I All-American)
 - d. Craig Brester (Big XII Champion and NCAA National Runner-up)
 - e. Aaron Denson (NCAA Division II Runner-up)
 - f. Josh Majerus (NCAA Division II National Champ)

These are just a few of the innovations we are bringing to you in the upcoming year! So on behalf of the Huskerland Board and staff, I wish you a great upcoming wrestling season, and I congratulate Huskerland on 25 years of service to Nebraska Wrestling

Doug Denson
